

Kshitij Interiors Pvt. Ltd.

Name of the Proprietor:

Mr. Bhawarlal K. Sharma

Established: 1971

Product: Interior designing and decoration. Furniture, office, residential products using plywood, wood, veneers, laminates and other material.

History: My father, Mr. K. L. Sharma originally from Rajasthan, founded this business. I joined him in 1988. We have taken a giant leap with turning Kshitij Interiors to Kshitij Interiors Pvt

Ltd from June 2002 with constant hard work and sincerity. Kshitij deals with technical engineering issues and aesthetic design issues. We use

facilities of many disciplines to enhance the function, safety, and aesthetics of interior spaces. Our main concerns are with how different colors, textures, furniture, lighting, and space work together to meet the needs of our clients. We plan interior spaces of almost every type of building, including offices, airport terminals, theaters, shopping malls, restaurants, hotels, schools, hospitals, and private residences. We have good collaboration with architects, electricians, and building contractors to ensure that designs are safe and meet our client's requirements.

Achievements : Work depends on quality base. We have an expressive clients list attach to the company since long. Simplicity, Hard work, and Sincerity towards

समाज के युवा नई औद्योगिक क्रांति के सूत्रधार बनें - भंवर बरडवा

work have made us the leaders of the field. Well equipped with latest machinery's and great man power strength are some of our strengths. To sustain ourselves and overcome hurdles of this field we have now stepped into new fields of civil work, electrical jobs, P.O.P, plumbing, painting have also been introduced with basic carpentry jobs.

Recent Developments: Recently started a factory. We have also opened an office in Chandivali.

Promotion: The quality of our work is the main promotion. Word of mouth spreads like wild fire. We have an impressive client database.

Expansion Plans: We have big expansion plans. We are planning to develop 50,000sqft area in VADA. The plant will have many new modern machinery.

Facilities for Staff Members: 90% of our workers belong to Rajasthan. We provide them housing, phone and medical facilities for them.

Mantras (Secrets) to become a Successful Entrepreneur: Quality is most important in this company, combined with Simplicity, Hard work and Sincerity

Brand Values: Our quality work and service are strong brand value.

Social Responsibility: We participated in social work in our society. GUASHALA is most important social work in this society. My father, now retired from the company, works full time in this work.

Salient Features: We are one amongst the crowd who take a special initiative to complete the project on time. And after the project is completed, the designer, together with the client, pays follow-up visits to the site to ensure that our client is satisfied. If the client is not satisfied, we make corrections as per our clients.

The satisfaction of our client is the top most priority. A satisfied client is a happy client; a happy client spreads the good word!
