# NVR FORGINGS

**Name of the Director:** Mr. Navneet Jain

**Established** : 2003

**Product:** Quality Hand Tools And Other Allied Equipments: Spanners, Pliers, Pipe Wrench, Adjustable Wrench Wheel Wrench, Chain Wrench, Steel Vices, Cast Iron Vices, Bearing Pullers, Crow Bar, Brick Bolster, Chisels, Woodworking Tools, Hacksaw Frames, Automotive Tools, Lubricant Tools.

**History of the Company:** We started domestic business of hand tools and other allied equipments since 2003 onwards then we have got a chance to export business on overseas market hence we entered into overseas market from 2005 onwards.

**Achievements:** Formerly when we started our business we have installed only six power presses and some other small equipments but now we are holding high production capacity backed up two forgings hammers and lead by a technician team of skilled and expertise workers. The company uses modern technology machine having CNC Vertical Machinery Center. Cad/Cam system, hardness and torque testing machine.

We are an ISO 9001-2000 Certified Company, and also applied some of other items for ISI mark may be we will get the licenses in this month.

**What are the Strategies implemented for Marketing:** we have especially sales our NVR Quality Product to all over India since 2003. Our market level is good due to our motivation is customers' satisfaction that encourages our morale and responsibility to manufacture then supply our products with highest better quality ISO standard norms as per the expectation and requirements of our customers. Endeavor to achieve customers' satisfaction by adhering to customers' requirement towards quality and timely delivery.

**Recent Developments:** Our production range have increase day-by-day. Hence we extent workshop space labour, staff and installed machinery and modify our administration office as well.

**How do you Promote your Product:** We promote our NVR Product to all over India market as well as overseas market.

**Further Expansion Plan:** We deputed our authorized representative to launch our NVR Product

to all over India as well as overseas market to enable us to expand our export as well as domestic business.

**Are there any recreation facilities, implemented for staff members?:** Yes, We have paid all facilities as per factory rules like ESI, Pf, EPF, Bonus, Wages, First-Aid, Doctory Etc.

**Mantras to become successful entrepreneur:**  
\*\*OM SHREE MAHAVEERIYANAMAHA\*\*

**Brand Values:** Not stable & fluctuate time to time due to increase the prices of raw material day by day.
