**Principal:** Mrs. Archana Ghorpade  
**Year of Establishment of School:** 2006

**Our School:** Our school believes in sacredness of childhood. Love and respect for the child's individuality is at the core of schooling here. Our curriculum has been evolved to equip students and motivate them to change from being dependent to becoming independent learners. The aim of the school is to empower individuals with

values and cultural identity, so that they excel in their fields.

**Activities:** To foster in the students a sense of collective responsibility and a feeling of unity and solidarity, we conduct a lot of activities like, Rakhi making, Poster making, Class decoration, Flower arrangement, Science, Art and Craft exhibition, the list goes on which includes all the sports.

**Recent Developments:** We have extended our library, as we have two beautiful libraries, filled with a lot of good books.

Our school is hosting National Skating Competition for the 1<sup>st</sup> time in Maharashtra. This says all about our school.

**Facilities & Motivational plans for Teachers (staff):** Staff has got all the facilities which include bus facility, dining facility and fee concession for the staff children.

**Your mantra (secret, steps) to build futures of India:** Don't accept a life of mediocrity when you hold such infinite potential within the fortress of your mind. We believe, there is one quality one must possess to win, and that is definite purpose, the knowledge of what one wants and a burning desire to possess it.

**Future plans:** 'We can make a difference'. And we will. Our hard work is the foundation for our future but not the complete structure. Our complete structure is our longing for the better future, to be No. one School in India. Our hard work will set the stage for tomorrow's victory.

**Social awareness:** Whatever we do we put our heart into it. Our children visit old age home. They spend time with them. Our children donate books and uniforms for poor children. We believe in originality, simplicity and naiveness. We believe 'Only a life lived for others, is a life worthwhile.'

**Proudable things about your school/ collage:** We are proud to host National Skating Competition, which is going to take place for the 1<sup>st</sup> time in Maharashtra.
