

VIRGO Softech Limited

Director : Mr. Atul Prakash Anand

Established : Incorporated in the year 1991 in the name of Virgo Micro Services Pvt. Ltd.

Product: VSL is one of the leading system integrator in India producing complete turnkey solutions on BOO and BOOT basis including Facility Services, Smart Card Applications, Document Management System, Manpower Deployment.

History: Incorporated as a private limited Company in 1991, achieved its first milestone by having a contract with Election Commissioner for issuance of 25 million Elector Photo Identity Cards in Madhya Pradesh. Later on, in 2000 the company was converted into a public limited company with a capital of Rs. 6.03 lacs. We won the contract with Election Commissioner for Digital Printing of 50 million pages of Electoral rolls in Maharashtra State. In 2010 shifted our Registered Office from Madhya Pradesh to Delhi.

Promotion: We are Member of Smart Card Forum of India, since 2011 - Member of PHD Chambers of Commerce & Industry and Member of Confederation of Indian Industry.

Recent Developments: Biometric Attendance System for the Delhi Subordinate Services Selection Board, National Population Register, Urban Areas, DOEACE Society, Chandigarh.

Market: Smart Card based vehicle registration for State Road Transport Dept. of Delhi & Maharashtra, Public Distribution System for Delhi, Chandigarh & Madhya Pradesh, UIDAI for West Delhi, Punjab, IGNOU and State Bank of India, Data Digitization for Delhi High Court.

Brand Value:
